

MEPI

CERTIFICATE

Of participation

THIS CERTIFICATE IS PRESENTED TO

Wassim HDIJI

For participating in the OSTX Tunisia Ideation Program

A one-month journey where participants go through dynamic training and development sessions, culminating in a final pitch competition where the most promising ideas take center stage.

This program is made possible by the generous support of the American people through the United States Department of State, and by the support of Open Startup's inception partners: AfricaGrow, Columbia Engineering, Columbia Business School, AfricInvest Group, and The Dot.
